

## VINILFLAT AND UV TECH MULTICHROME

### *Multisensorial experience*

A new concept of printing is born: capable to amaze, enchant, conquer.

Kiian's tradition bound to the creation of special effects moves from the Fashion world to the Graphics one, achieving excellent results.

### *... Endless combinations of colors ...*

Two series of ready to use special varnishes – solvent based and UV – interact with the light enhancing the ground color into a “*Kaleidoscope Chromatic Game*” to dress up the printed product in a luxury and elegant way.

*Both versions* are available in the following colors:

- GREEN-BLUE
- VIOLET-BLUE
- BRONZE-GREEN
- EMERALD-BLUE
- GOLD-GREEN
- GRAPHITE
